

PAS Patient Registration - Patients with No Fixed Abode (no fixed permanent address)

Patients with No Fixed Abode (no fixed permanent address)

Patients who do not have a fixed permanent address must be recorded using the national postcode of **ZZ99 3VZ** and **must not** be recorded as ZZ99 3WZ (which is only to be used if patients do not have a known address).

So the correct format would be:

- Address Line 1 - **N F Ay**.
- Address Line 2 – **N F Ay**.
- Address Line 3 – **N F Ay** or known County, for example Cornwall.
- Postcode - **ZZ99 3VZ**.

If country of origin is known please put country of origin postcode.
