

PAS BEA - Linking Pathway ID

There may be occasions when you will need to link an episode to ensure that the pathway is accurate.

After making the B E A entry, enter **P A L** to proceed to the Pathway Allocation screen.

HGPAL1	PATHWAY ALLOCATION	v3 Train CL
Current name: FENDLY, MARIE JANE		DOB: 21-SEP-1976 Sex: F
Current Pathway:		
1 Pathway: REF001340	Spec: CARDIOLOGY	Start: 05-DEC-2008
OP: CARDIOLOGY	MOUAJ/5T	02-JAN-2009 Att-Ref Con
Select PathWay/Start New Pathway/eXit []		

To link the new appointment, type **S P W** (Select PathWay).

Pathway I D ,– enter the number corresponding to the Pathway you require e.g. **1**.

Take care ,– if there is more than 1 existing pathway ensure you select the correct one.

The episode will be linked and the original Pathway I D will appear on the B E A screen.

If you are unable to identify which Pathway to link the episode, firstly seek guidance from a colleague or line manager. If they are unable to help please contact the Patient Access Team on ext 2 9 4 1.
