

# Microsoft Teams - Sign into your Teams Account

Open the Microsoft Teams icon on your desktop

Or go the Application Catalog found on your desktop download Microsoft teams

Sign into Teams using your NHS email account and your NHS mail password

A screenshot of the NHS sign-in form. At the top is the NHS logo. Below it is the text 'Sign in with your NHSmail account'. There are two input fields: the first contains '@nhs.net' and the second contains 'Password'. Below the fields is a blue 'Sign in' button. At the bottom, there is a checkbox labeled 'This is a private computer' which is checked, and a link that says 'Unlock Account or Forgotten Password? Click here.'
