

PACS (a.k.a. Insignia, Insight, Imaging, WebPACS, PACS)

Allows access to imaging events from within the South West Consortium. PACS is shared with Plymouth University, Royal Devon and Exeter, North Devon, South Devon and University Hospitals Bristol allowing us to see Radiology events that have taken place within the South West Consortium.

To request an account for **Insight PACS** please complete the attached form [Insight - Account Request Form \(sma247.com\)](#)

Once your Insight account has been set up, you will be emailed a link to the eLearning via the Maxims team, once this has been completed you will be able to validate your account and login to the system.
