

## TAS - Update my profile

---

### How do I update my TAS account profile?

#### Prerequisite

You must be logged into your registered and verified TAS account.

#### Opening and updating your User Profile

When you have logged into TAS, your name will be displayed on the top menu bar.

Click your name to display a drop list menu.

Click the **User Profile** option to open your TAS User Profile page.

Make the changes as required, then click the **Save** button to record your changes.

A confirmation will appear, click the **Close** button.

Click the **Close** button again to close your User Profile page.

You will receive an email informing you that your TAS account profile has been updated.

### **Remember**

If you change your password, please use your new password the next time you log into TAS.
