How to Run ITOC Reports in Strata PathWays V1.0

Login to Strata PathWays

From the Home Page, click on the Reports module

You will land on the Custom Reports page, as indicated on the top left-hand side of the page across from Viewing.

Select the report you would like to run buy clicking on the associated arrow at

the end of the row.

IToC Central - Active P1	\bigcirc
Including all P1 traige outcomes and long term ongoing needs - V2.0	

In the window that open, select a page orientation.
