

E3 - Close Pregnancy

E3 Maternity System

Close Pregnancy

The close pregnancy option can be used if a pregnancy needs to be closed prior to E D D date, through miscarriage, T O P S , etc.

The closed option can be accessed via the Close icon  or the drop down menu in the patient tab.

Once selected the close pregnancy box will open, complete the pregnancy end date, the closure reason, then click the close pregnancy button. You will be asked to confirm the pregnancy closure.

Close a pregnancy

NHS Number: 9972516415
