Patient Search

This option will display outstanding and recent past outpatient appointments.

Enter the patient hospital CR number or search using the patient details. The patient's name will appear on the next screen. Check this is the correct patient.

At the bottom of the screen the following command prompts are displayed;

Outpatient Appointment History screen commands:

A P P

Appointments **A**PPointments

H A

display Hospital Attendances

L E

Letters Letters

L A

Labels Labels

O

Other Other

To view the patients appointments enter **A P P** and press return. The Appointments screen will open and recent past appointments and outstanding appointments will be displayed.

HOPS	APPOINTMENTS	v3 Train	CL
MUSGRAVE, ERNEST			
C.R. Number : C005927			
1	17-DEC-2007 STOAJ/1T	R G MO AM OPHTHALMOLOGY	Att A.Repts
2	30-JAN-2008 REGMW/6C	R G WE PM ORTHOPAEDIC	Att IP W/L
3	14-JAN-2008 SLAAL/1T	R G MO AM CARDIO	DNA Apptmnt
4	25-FEB-2008 STOAJ/CI	R G MO AM OPHTHALMOLOGY	Att Open
